Paddle Boat

Wind me up and watch me go!

Old fashioned fun that helps children look forward to bath time.

Who I suit: 3 - 10 years > children love winding up the paddle and letting it go to splash and zoom along in the water

My benefits:

- makes bath time more fun
- satisfying because YOU make it happen
- no batteries needed means wholesome and fun, cheap to run
- experience real action and reaction
- improves coordination

How to sell me: “Very simple but very effective”

“You can use two rubber bands for a slow boat or three rubber bands to make it go faster”

“Wind one way for forward, the other for reverse”

Dimensions: 200mm x 90mm x 75mm, 150 g

People say: “Wow, it goes really well”

“I can’t wait to have a bath with this” (Dad!)

“These are great, I had one when I was a boy” (Granddad)

The joy of simple old-fashioned fun... “I made it go!”
